McLeod Park is asking for quotes on the following work:

Cut any leaning, hanging, fallen or dead trees and debris into 6' sections. No moving of debris to the roads edge just leave in place. Leave no stumps over 3" from ground level (cut all stumps lower than 3" from ground level). Remove all hangers. All trees missing 40% of canopy must be taken down. Price this for 7 days of work (7 days max. after 7 days will cost you \$500 per day) if you do it in less that fine. You will work in the areas designated by park manager first.

Must have lift capable of cutting at 60' height. Must be able to start immediately.

Mississippi law applies to this project, and bidders shall meet all statutory and legal requirements with their bid, including without limitation meeting the requirement of Mississippi Code Section 31-3-15 that the bidder have a validly issued certificate of responsibility at the time it submits the bid. Further, bidders must comply with Mississippi Code Section 31-3-21 (2), which provides that any sealed bid exceeding \$50,000 shall have the certificate of responsibility on the exterior of the envelope or it shall not be opened or read aloud; if the bid is less than \$50,000, bidder should state that "this bid is less than \$50,000" on the exterior of the envelope.

Sealed quotes to be received no later than 4:00pm Thursday November 5, 2020 at the Hancock County Board of Supervisors office 854 Hwy 90 Bay St. Louis, MS 39520.
