

RESPONSE NO. 1 TO CONTRACTOR INQUIRIES

HANCOCK COUNTY, MS HURRICANE ZETA STORM DEBRIS REMOVAL

1. The County will not direct or choose the contractor's disposal site. The contractor shall arrange for the disposal and ensure that it complies with all applicable laws and regulations. Also, the cost of disposal is not passed through to the County. Contractor shall absorb that cost.
2. The County will not provide a staging site for mulching of smaller debris. The County may reasonably object to that chosen (if any) by the contractor.
3. The tower to be built will be the responsibility of the contractor and it is to be absorbed by the contractor. It is not a line item to be bid.
4. Liquidated damages will be assessed at \$500 per day.
5. Concerning item no. 6, the estimate quantity is 2000. Also, this bid price should include both the cost to bid and haul the item, i.e., the haul price for this is not included in item 1.
6. A bid bond should be included with the bid in the amount of 5% of the bid.
7. The owner will not provide debris management sites. Contractor shall provide this in coordination with the monitor subject to reasonable objection of the County.
